CONSERVATION AND ANIMAL WELFARE

The zoo actively participates in the preservation of endangered species by developing conservation projects in the natural environment and carrying out veterinary and behavioural studies, etc.

To help us, sponsor the animals of the zoo and participate in our events for conservation. All the money raised is used to finance *in situ* and *ex situ* projects.

SPONSORSHIP

Help us protect the white rhinoceros by becoming a sponsor: soutenir.mnhn.fr

EVENTS ALL YEAR ROUND

Throughout the year, many events and activities take place with the seasons : Easter at the zoo, Paris Zoo Run, Halloween...

WELCOME TO THE WORLD OF BIODIVERSITY: 3 000 ANIMALS, 255 SPECIES, 5 BIOZONES

EMBARK ON A UNIQUE JOURNEY AMONG SURPRISING AND ENDANGERED SPECIES AT THE PARC ZOOLOGIQUE DE PARIS, A HUB OF BIODIVERSITY CONSERVATION. HERE WONDERMENT AND THE EXOTIC AWAIT YOUNG AND OLD...

WELCOME TO THE MUSEUM

The national Museum of natural history is an atypical institution: at the same time, it is a research center, a university, a museum, a botanic garden and several zoos. With its 4 centuries of scientific adventures, the museum works for the future of our planet. its many spaces around France will help you better understand nature in all its dimensions and the world that surrounds us. Explore them!

THIS ZOO IS ONE OF THE 11 MUSEUM'S SITES OPENED TO THE PUBLIC.

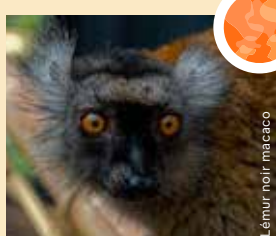

EUROPE
At the foot of the Great Rock, look for **wolves, wolverines, lynx**, otters... without forgetting our unicellular star, the strange **Blob**, in our European vivarium!

GUYANA AMAZON
Meet woolly monkeys, jaguars, peccaries, macaws, Dart Frog...

TROPICAL GREENHOUSE
Discover the tropical forests of Guyana and Madagascar, with fascinating animals and plants: **anteaters, sloths, manatees, piranhas, ants, toucans, boas, bats...**

MADAGASCAR
Explore the Madagascar biozone with its unique fauna and flora: **lemurs, chameleons, fossas, traveller's palms...**

AFRICA
Head for the savannah and the largest biozone in the park! Marvel at the giants of Africa: **giraffes, white rhinos, lions, ostriches...**

PATAGONIA
Immerse yourself in the end of the world atmosphere of the southernmost tip of the American continent. **Sea lions, Humboldt penguins and pumas** reveal their distinctive features.

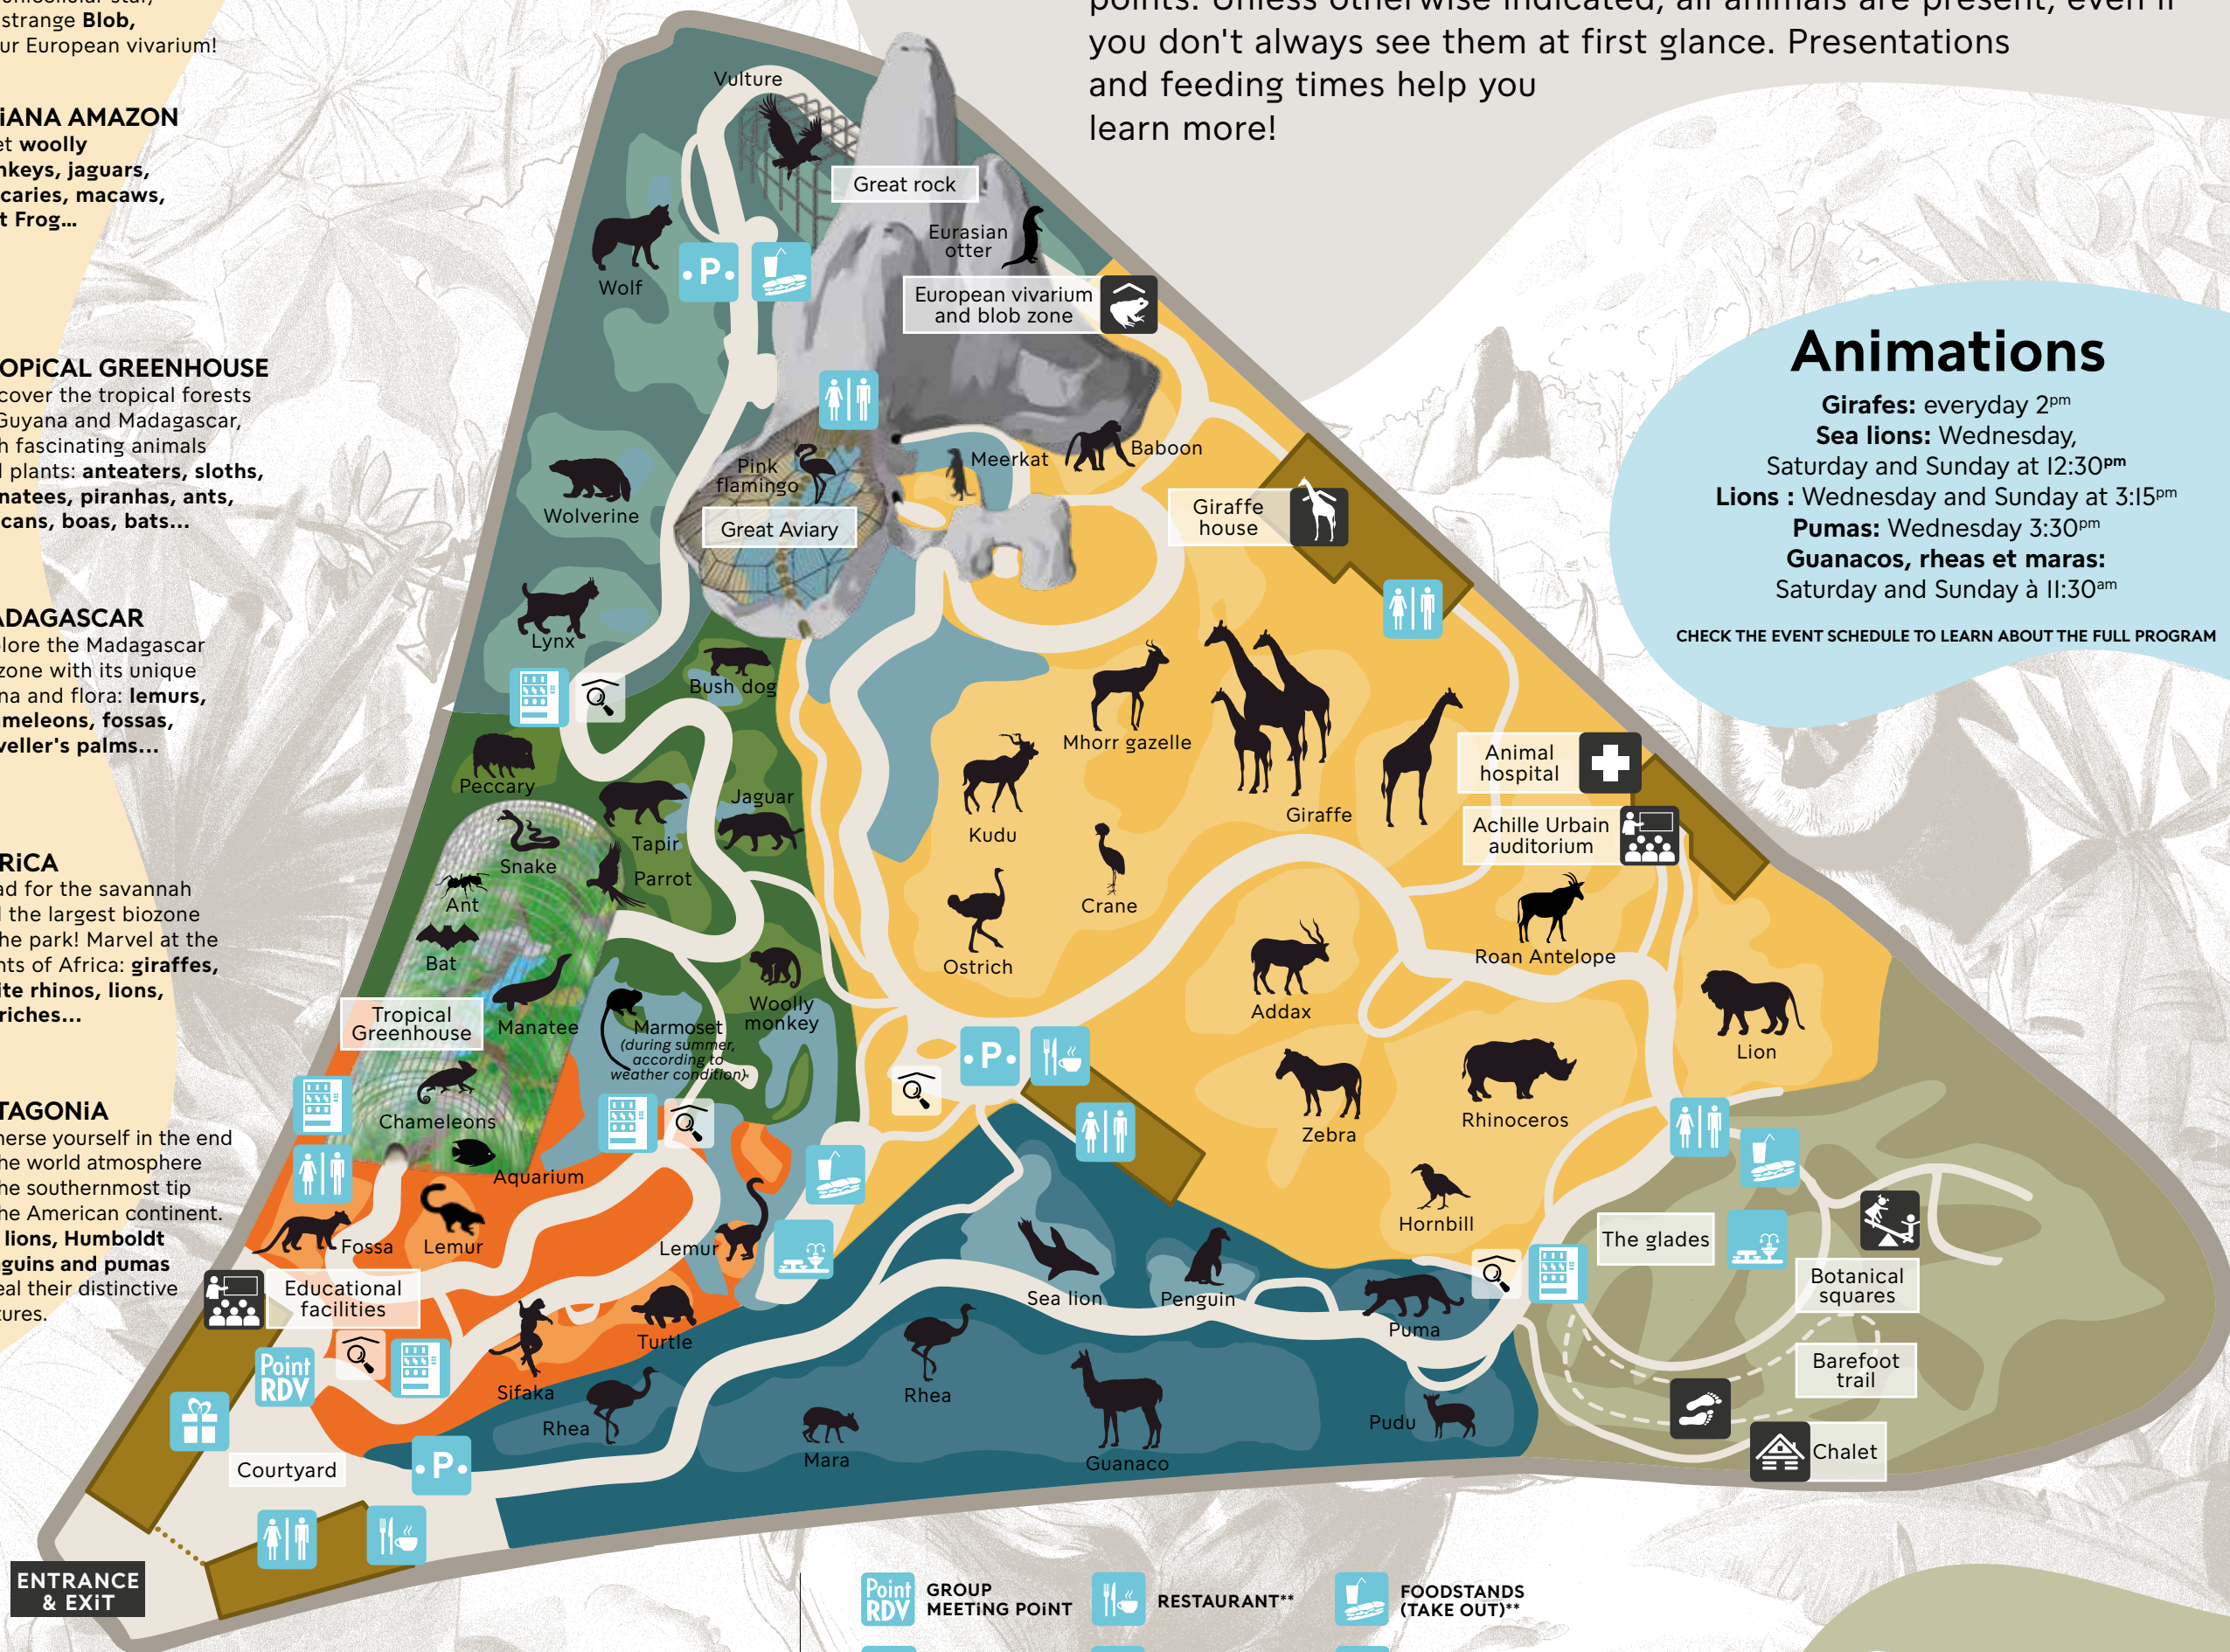

OPTIMIZE YOUR VISIT:

Take the time to observe, explore and find the best viewing points. Unless otherwise indicated, all animals are present, even if you don't always see them at first glance. Presentations and feeding times help you learn more!
